Abstract. With the economic crisis, intense partisan gridlock, and social movements like the Tea Party and Occupy Wall Street, American Democracy in Peril encapsulates the tumultuous state of American politics more than ever. Hudson's provocative book offers a structured yet critical look at the functioning of the American political system. This new edition incorporates the far-ranging impact of the Obama presidency - and the polarization that has accompanied it - along with these key ...

American Democracy in Peril encapsulates the tumultuous state of American politics. By introducing the history of democratic theory in terms of four “models” of democracy, Hudson provides readers with a set of criteria against which to evaluate the challenges discussed later. This provocative book offers a structured yet critical examination of the American political system, designed to stimulate students to consider how the facts they learn about American politics relate to democratic ...
