Get Free An Elephant In The Living Room The

The expression "elephant in the room" or "the elephant in the living room" is a metaphorical idiom in English for an important or enormous topic, question, or controversial issue that is obvious or that everyone knows about but no one mentions or wants to discuss because it makes at least some of them uncomfortable or is personally, socially, or politically embarrassing, controversial, inflammatory, or dangerous. It is based on the idea/thought that something as conspicuous as an elephant can ap

The Journey What you are about to read is the journey that I took close to a decade ago. This book is really my diary about the investigations I made of a group of mediums and their work. Little did I know that I would also begin to experience phenomenon of a spiritual nature. I made a choice to continue to experience and study and found myself in the need to write down all the experiences that I had so I could later examine them. I found the process and the drama of the soul as they leave their present existence and enter into a new dimension, which is the spiritual world. You will read what I went through, and I learned that life does not end with death but is rather a transformation of the spirit I found that the spirit retains his identity as well as the mind. This journey has taken many turns and

An Elephant In the Living Room Leader's Guide

From the New York Times bestselling author of *Counting by 7s* comes a heartfelt story about "the importance of compassion and bravery when facing life ' s challenges " (Kirkus) for fans of *The One and Only Ivan* and *Front Desk*. It's been almost a year since Sila's mother traveled halfway around the world to Turkey, hoping to secure the immigration paperwork that would allow her to return to her family in the United States. The long separation is almost impossible for

Get Free An Elephant In The Living Room The

Sila to withstand. But things change when Sila accompanies her father (who is a mechanic) outside their Oregon town to fix a truck. There, behind an enormous stone wall, she meets a grandfatherly man who only months before won the state lottery. Their new alliance leads to the rescue of a circus elephant named Veda, and then to a friendship with an unusual boy named Mateo, proving that comfort and hope come in the most unlikely of places. A moving story of family separation and the importance of the connection between animals and humans, this novel has the enormous heart and uplifting humor that readers have come to expect from the beloved author of *Counting by 7s*.

tale.” —Linda Sue Park, New York Times Bestselling author of A Long Walk to Water “ A gorgeous and emotional novel. I loved every page. ” —Cynthia Kadohata, Newbery Medal-winning author of Kira-Kira

The nation's top child development experts examine the effects of television on children and their groundbreaking research will startle many Television is the "elephant in the living room" of our culture. American children watch television an average of 3 hours per day, and many parents sheepishly concede that they rely on television as an electronic babysitter. But TV is not necessarily harmful to kids. The authors present groundbreaking scientific evidence that television can be a powerful and effective tool—for entertainment, for

education, and for socialization. The secret is for parents to learn how to use television as a tool, not a crutch. With a detailed explanation of the effects of television viewing on kids' emotional, mental, and physical development, plus tips to enable parents to act on this new knowledge, they'll soon be able to turn TV into a positive force in their child's life. The authors share:

- which popular shows increase your child's reading ability—and which may delay speech development
- which televised sports boost girls' self-image—and which ones could cause eating disorders
- the best and worst programming for every age, from toddler to teen

what has been called the Edwardian summer: the deceptively languid, blissful period that ended with the cataclysmic destruction of World War I. In this compelling novel, A.S. Byatt summons up a whole era, revealing that beneath its golden surface lay tensions that would explode into war, revolution and unbelievable change — for the generation that came of age before 1914 and, most of all, for their children. The novel centres around Olive Wellwood, a fairy tale writer, and her circle, which includes the brilliant, erratic craftsman Benedict Fludd and his apprentice Phillip Warren, a runaway from the poverty of the Potteries; Prosper Cain, the soldier who directs what will become the Victoria and Albert Museum; Olive 's brother-in-law Basil Wellwood, an officer of the Bank of

England; and many others from every layer of society. A.S. Byatt traces their lives in intimate detail and moves between generations, following the children who must choose whether to follow the roles expected of them or stand up to their parents '

“ porcelain socialism. ” Olive ' s daughter Dorothy wishes to become a doctor, while her other daughter, Hedda, wants to fight for votes for women. Her son Tom, sent to an upper-class school, wants nothing more than to spend time in the woods, tracking birds and foxes. Her nephew Charles becomes embroiled with German-influenced revolutionaries. Their portraits connect the political issues at the heart of nascent feminism and socialism with grave personal dilemmas, interlacing until The Children ' s Book becomes a

perfect depiction of an entire world. Olive is a fairy tale writer in the era of Peter Pan and Kenneth Grahame ' s The Wind In the Willows, not long after Alice ' s Adventures in Wonderland. At a time when children in England suffered deprivation by the millions, the concept of childhood was being refined and elaborated in ways that still influence us today. For each of her children, Olive writes a special, private book, bound in a different colour and placed on a shelf; when these same children are ferried off into the unremitting destruction of the Great War, the reader is left to wonder who the real children in this novel are. The Children ' s Book is an astonishing novel. It is an historical feat that brings to life an era that helped shape our own as well as a gripping, personal novel about

Get Free An Elephant In The Living Room The

parents and children, life's most painful struggles and its richest pleasures. No other writer could have imagined it or created it.

Arguing that television is not necessarily harmful to children, a guide for parents reveals how to use television as an effective tool for entertainment, education, and socialization, in a reference that identifies top-recommended shows as well as programs to avoid.

The Elephant in the Room looks at how, why, and with what consequences it is possible for things to be known and 'not known' at the same time by individuals in a group. Zerubavel marshals a host of examples - from families that avoid discussing a member's cancer to the

Get Free An Elephant In The Living Room The

Children's 'Don't Ask, Don't Tell' policy
- to identify the common features of
conspiracies of silence at all levels of
society. He unravels the normative as
well as political underpinnings of
silence and denial, as well as the
social dynamics of conspiracies of
silence. Noting how each
'conspirator's' actions are
symbiotically complemented by the
others', he shows that silence is
usually more intense when there are
more people conspiring to maintain it
and especially when there are
significant power differences among
them. He concludes by showing that
the longer we ignore 'elephants' the
larger they loom in our minds, as each
avoidance typically triggers an
indefinitely recursive spiral of denial.
