## ~~Certified Management Accountant Exam Prep~~

Here's a little secret about the CMA examination: the CMA test is what we in the test preparation field call a content-driven test. While some tests are looking to see what you are ABLE to learn, the purpose of the Certified Management Accountant (CMA) Certification Examination, offered by the Institute of Management Accountants (IMA), is to test your understanding of what you have already learned.

Certified Management Accountant is a professional certification credential in the management accounting and financial management fields. The certification signifies that the person possesses knowledge in the areas of financial planning, analysis, control, decision support, and professional ethics. The CMA is a U.S.-based, globally recognized certification offered by the Institute of Management Accountants. CMA-certified professionals work inside organizations of all sizes, industries, and types,
