Adjectives are used to add information to writing and to provide readers with a fuller, more rounded image of a subject. They are descriptive words that describe a thought, action, object, feeling, person, or even something else. For example, in the phrase, 'the red, shiny car', the words 'red' and 'shiny' are adjectives.

Inspire students to develop as writers in the first grade classroom with these engaging and creative writing lessons. This classroom-tested resource shows positive results in students' writing and simplifies the planning of writing instruction. It contains detailed information on how to establish and manage daily Writer's Workshop and includes consistent, structured instruction to encourage students to actively participate in the writing process. Specific lessons to help students develop the traits of quality writing are also included. This resource develops college and career readiness skills and is aligned to today's standards.

"Exciting and engaging vocabulary instruction can set students on the path to a lifelong fascination with words. This book provides a research-based framework and practical strategies for vocabulary development with children from the earliest grades through high school. The authors emphasize instruction that offers rich information about words and their uses and enhances students' language comprehension and production. Teachers are guided in selecting words for instruction; developing student-friendly explanations of new words; creating meaningful learning activities; and getting students involved in thinking about, using, and noticing new words both within and outside the classroom. Many concrete examples, sample classroom dialogues, and exercises for teachers bring the material to life. Helpful appendices include suggestions for trade books that help children enlarge their vocabulary and/or have fun with different aspects of words"--

Incorporate activities that energize and engage students in grade 1 using Fun, Fitness, and Learning! This 64-page book includes 55 large-group activities in which students use locomotor or nonlocomotor skills while activating their thinking skills. To reinforce what has been learned during the group activities, students complete half-page exercises for individualized skill practice. Lessons in this dynamic resource cover topics such as phonemic awareness, weather, writing mechanics, grammar, numbers, geometry and measurement, plants and animals, maps, citizenship, and fitness. The book supports NCTM and NCE standards.
