A definition of missional discipleship focuses on the missionary nature of God, the role of the church in forming disciples, and the engagement of missional practices that usher in the kingdom of God. Missional discipleship represents the missionary nature of the triune God with the purpose of forming congregations to embody the gospel and to equip Christians to participate in the restorative and redemptive mission of God in the world.

The Church is not an institution, it is a community of disciples, people like you and me, who follow Jesus and are engaged in his mission of transforming the world into the Kingdom of God. Missional Discipleship is a process of deepening our discipleship and engaging more faithfully in mission: becoming more recognisably like Jesus as individuals and as a church, and making a Jesus-shaped difference in the lives of the people and communities around us.
