Professional Issues in Primary Care Nursing - Amazon.co.uk

Jones and Menzies (1999:3) support this view, that patients present themselves to general practice as the 'first level of professional care, accessed when self-care is seemed inadequate'. PNs and WIC nurses have cultivated and developed an important role in the provision of both treatment and health promotion services to patients in the context of primary health care.

Challenges in Primary Care - News Medical.net

Dr Ollie Hart is a GP partner at the Sloan Medical Centre in Sheffield. He is also the clinical lead for Sheffield's person-centred care work stream, and an executive on the 'Sheffield Move More' board. We spoke to him about the challenges facing primary care and the realities of improving quality in the sector. What's the biggest challenge facing the primary care sector at the moment?

The challenges facing primary care - Q&A with Dr Ollie Hart

Primary care services provide the first point of contact in the healthcare system, acting as the 'front door' of the NHS. Primary care includes general practice, community pharmacy, dental, and optometry (eye health) services. Here are some of the ways you can get involved in the commissioning of primary care services:
